

# Gianluca Costa

Location: Bologna (Italy) – Full Remote

Website: <https://gianlucacosta.info/>

Main languages

Italiano (Native)  
Français (C1)  
English (C1)  
Español (B1-B2)

## Preferred technologies

- ❖ **TypeScript** – from *frontend* to *backend*
- ❖ **React** – especially with *functions* & *hooks*
- ❖ **Node.js** (MVC, REST, GraphQL, websockets)
- ❖ **C# 9+** on .NET 5+
- ❖ **Python 3**, when combined with *type hints*
- ❖ **Go**, in particular for *microservices*
- ❖ **NoSQL** (MongoDB)
- ❖ **SQL** (PostgreSQL, MySQL, SQL Server, ...)
- ❖ **Docker**, elements of *Kubernetes*

## Areas of interest

- ☐ **Software engineering & architecture**, preferably **full-stack** and on **modern** projects
- ☐ **Research & Development** – including *domain-driven design* & ubiquitous language
- ☐ **Continuous improvement** – solid experience on *internal tools* and *CI/CD pipelines*
- ☐ **Code quality** and **minimalism**
- ☐ **DevOps & Cloud** design (but no on-call duty)
- ☐ **Security** – mainly in the field of web apps
- ☐ **Mentoring**, while *continuously learning*
- ☐ **Data Science** – I still have limited knowledge in this domain, but I'm always eager to explore it in more detail
- ☐ **Agile processes** – *ideas, creativity* and the *human aspect* rather than ceremonies
- ☐ **100%-remote** positions *only*

## Main open source architectures

- ☆ <https://github.com/giancosta86/Jardinerio>
- ☆ <https://github.com/giancosta86/ulysses>

For detailed info about my experience and my projects, please visit my **LinkedIn profile**:  
<https://www.linkedin.com/in/giancosta86/>

## Science

Passionate **software craftsman** since 1999

**7+ years of experience** in IT companies

**MSc and BSc in Computer Engineering** – 110 cum laude; awarded as one of the *30 best Engineering students in Bologna* in 2016

More than **80 open source projects** on GitHub: <https://github.com/giancosta86>

**NPM** packages: [@giancosta86](#)

**Python** packages: [giancosta86](#) on PyPI

**Linux** user since 2004, but also **Windows** user

**Tech presentations** on SpeakerDeck:  
<https://speakerdeck.com/giancosta86>

## Humanism

Curious **learner**, passionate **teacher**

**C1** level in *English* (CAE, BEC Higher)

**C1** level in *French* (DALF)

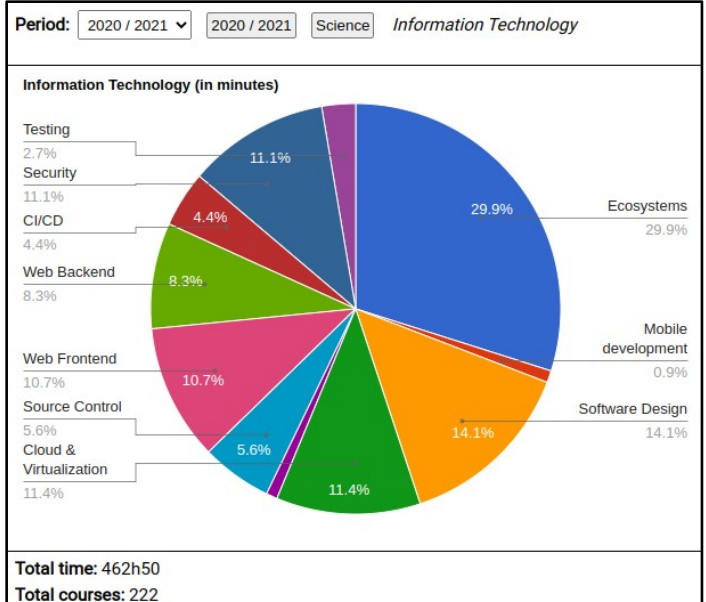

**B1** level in *German* (Goethe Zertifikat)

Learning *Spanish* (approx. in a **B1- B2** range)

Fond of **Philosophy** as a way to explore oneself and the cosmos

Proudly supporting **human rights** and **equality**

Award in national competition of **Latin** in 2003
